

SECP-ADB TRAINING PROGRAMS

The SECP, in collaboration with Asian Development Bank (ADB), organized capacity building training programs for the officers of the SECP as well as for market participants in the year 2005. Detail of these programs is given below. The training programs were aimed at enhancing expertise and understanding of capital market issues across a wide range of stakeholders. The consultants/experts of international repute shared their experiences and discussed scenarios and dynamics of international as well as local markets. These programs gained popularity and Lahore based practitioners also attended various courses in Islamabad.
