

Young Professional's Scheme Year 2006

(Job Location: KARACHI & ISLAMABAD)

The Securities and Exchange Commission of Pakistan (SECP) was established in 1997 as an autonomous body (under the SECP Act 1997) to regulate the country's corporate sector and securities market. The mandate assigned to SECP has expanded over the years to include regulation of the Non-bank Financial Institutions (such as investment banks, modarabas, leasing companies, mutual funds etc.), the Insurance sector as well as the country's first Commodities Exchange. Today, SECP is a key national institution characterized by one of the best performing markets in the region.

In its ongoing endeavor to provide effective services, SECP is reinforcing its management team. This initiative is aimed at consolidating SECP's presence to further enhance its effectiveness for playing a proactive role in interfacing with key market players, intermediaries and other stakeholders to improve the regulatory regimes applicable to various market constituents.

Towards this end, SECP is seeking to recruit 20 young and dynamic aspirants in Karachi and Islamabad offices for its **Young Professional's Scheme**, to take up and achieve its objectives.

These inductees will be placed on a FAST TRACK program and will be provided excellent opportunities for professional growth through on-the-job training and practical exposure.
