**Subject: SECP Panel of Auditors
Extension in the date to submit applications**

Dear Sir,

This is in furtherance to our letter No. D (CS)/23/2007 dated January 08, 2008 whereby ICAP was requested to advise its member audit firms to submit applications for inclusion in the SECP Panel of Auditors. The last date for receipt of application was January 31, 2008.

Since there is a demand from audit firms for extension in the period for receipt of application, the Commission, after considering their difficulties has decided to extend the date for submission of application up to February 29th 2008.

Yours faithfully,

Khalida Habib
Joint Director
