

GOVERNMENT OF PAKISTAN  
SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

~\*~\*~

*Islamabad, the 20<sup>th</sup> November, 2019*

NOTIFICATION

**S.R.O. 1416(I)/2019.** In exercise of powers conferred by sub-section (3) of section 167 read with sub-section (1) and (2) of section 46 of the Insurance Ordinance 2000 (XXXIX of 2000) and rule 29 of the Takaful Rules, 2012, the Securities and Exchange Commission of Pakistan, with the approval of the Policy Board, is pleased to make the following regulations, the same having been previously published in the official Gazette through S.R.O. 992(I)/2018 dated August 8, 2018.

**1. Short title and commencement.-** (1) These regulations shall be called the General Takaful Accounting Regulations, 2019.

(2) These regulations shall come into force the accounting periods commencing on or after January 1<sup>st</sup>, 2020.

**2. Application and scope.-** (1) These Regulations shall be applicable to regulatory returns and the published financial statements of operators.

(2) The Operators shall comply with the requirements of International Financial Reporting Standards adopted by the Institute of Chartered Accountants of Pakistan and the Islamic Financial Accounting Standards, as notified by the Commission subject to the specific provisions contained in these regulations.

(3) The provision of Rule 19 of the Insurance Rules, 2017 along with Annexure – II and the provisions of the Insurance Accounting Regulations, 2017 shall not be applicable on a Takaful operator.

(4) The provision of Rule 19 of the Insurance Rules, 2017 along with Annexure – II and the provision of the Insurance Accounting Regulations, 2017 shall stand applicable on a window Takaful operator to the extent of its conventional insurance business modified to the extent stated at regulation 6 of these regulations in respect of its window Takaful business:

Provided that the provisions of these regulations shall stand equally applicable on the window Takaful business of window Takaful operator.

**3. Definitions.-** (1) In these Regulations, unless there is anything repugnant in the subject or context.-

(a) “Commission” means the Securities and Exchange Commission of Pakistan established under section 3 of the Securities and Exchange Commission of Pakistan Act, 1997 (XLII of 1997);

- (b) “Form” means forms appended to these regulations;
- (c) “Operator” means a Takaful Operator or a Window Takaful Operator, authorized by the Commission under the Takaful Rules, 2012, to undertake general takaful business;
- (d) “OPF” means the Operator Fund as defined in clause (ix) of sub-rule (1) of rule 2 of the Takaful Rules, 2012;
- (e) “Ordinance” means the Insurance Ordinance, 2000 (XXXIX of 2000);
- (f) “PTF” means the Participant Takaful Fund as defined in sub-clause (b) of clause (xiii) of sub-rule (1) of rule 2 of the Takaful Rules, 2012;
- (g) “Published Financial Statements” means the statements which are required to be prepared by an insurer under section 223 of the Companies Act, 2017 (XIX of 2017); and
- (h) “Regulatory Returns” means the statements which are required to be prepared and delivered to the Commission by an Operator under section 46 of the Ordinance.

(2) Words and expressions used but not defined in these Regulations shall, unless there is anything repugnant in the subject or context, have the same meaning as are assigned to them in the Ordinance or the Takaful Rules, 2012.

**4. Provisions applicable only to regulatory returns.-** (1) Subject to section 46 of the Ordinance the following forms of regulatory returns shall be submitted according to the Forms annexed to these Regulations,-

- (a) Balance sheet which shall be deemed to constitute the “statement of assets and liabilities” as required by sub-clause (i) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GAT);
- (b) Profit and loss account which shall be deemed to constitute the “statement of profits and losses” as required by sub-clause (ii) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GBT);
- (c) Statement of changes in shareholders equity and participants takaful fund prescribed under sub-clause (x) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GBBT);
- (d) Statement of cash flows required under sub-clause (iii) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GCT);
- (e) Statement of contributions required under sub-clause (iv) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GDT);

- (f) Statement of claims/benefits required under sub-clause (v) of clause (b) of sub-section (1) of section 46 of the Ordinance; (Form GET);
- (g) Statement of expenses required under sub-clause (vi) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GFT);
- (h) Statement of investment income required under sub-clause (vii) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GGT);
- (i) Statement of claims/benefits analysis required under sub-clause (viii) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GHT);
- (j) Statement of estimated exposures required under sub-clause (ix) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GIT);
- (k) Statement of assets for solvency purpose prescribed under sub-clause (x) of clause (b) of sub-section (1) of section 46 of the Ordinance (Form GJT);
- (l) Classified summary of assets in Pakistan prescribed under sub-clause (x) of clause (b) of sub-section (1) of section 46 of the Ordinance; (Form GKT).

(2) Where an Operator controls other entities, consolidated regulatory returns are not required to be submitted.

(3) If an Operator writes business outside Pakistan then a complete set of regulatory returns except for Form GAT shall be prepared for such business and shall be made part of the primary set of regulatory returns through separate statement.

**5. Provisions applicable only to published financial statements.-** (1) The published financial statements shall consist of the following statements which shall be prepared in accordance with the requirements stated in sub-regulation (2) of regulation 2 above and shall be submitted in accordance to the forms annexed to these Regulations:

- (a) statement of financial position;
- (b) statement of comprehensive income;
- (c) statement of cash flows;
- (d) statement of changes in shareholders equity and participants' Takaful Fund; and
- (e) notes to the financial statements

(2) The Operator shall prepare statement of financial position in columnar form with statement of comprehensive income combined of PTF and OPF showing the two separately within the single statement.

**6. Presentation of general Window Takaful Operations in published financial statements and regulatory returns.-** (1) Insurers authorised by the Commission to undertake Window General Takaful Operations under the Takaful Rules, 2012 will disclose their Takaful results in their regulatory returns as follows,-

- (a) total assets and liabilities of the Window Takaful Operations [(i.e. OPF and PTF)]<sup>1</sup> shall be disclosed as single line item in the balance sheet of the insurer;
  - (b) the profit/(loss) of the OPF of the window Takaful operations shall be disclosed as a single line item 'Profit/(Loss) before taxation from General Takaful Operations' in the profit and loss account of the insurer.
- (2) Insurers undertaking Window Takaful Operations shall prepare a separate complete set of regulatory returns as required under regulation 4 for its Takaful operations which shall be filed with the Commission along with the annual regulatory returns of the insurer:

Provided that an insurer undertaking Window Takaful Operations shall in place of the statement of assets for solvency purpose (Form GJT) prescribed under sub-clause (x) of clause (b) of sub-section (1) of section 46 of the Ordinance, submit statement of assets for solvency purpose of the Participant Takaful Fund (Form GJT-WTO), which is also hereby prescribed under said clause of section 46 of the Ordinance.

Provided further that the statement of assets for solvency purpose (Form GJ), for non-life insurers, prescribed under Annexure II of the Insurance Rules, 2017 shall, in the case of non-life insurers with window general takaful operations, include the assets and liabilities of its conventional business and window takaful operations.

*Explanation:* For the purposes of ascertaining the minimum solvency requirements of the non-life insurer under clause (b) and (c) of sub-section (3) of section 36 of the Ordinance, the earned contribution revenue, retakaful expense, liability for unexpired risk, liability for outstanding claims, prepaid retakaful ceded and retakaful recoveries against outstanding claim of window takaful operations shall be taken into account in addition to the related balances of the conventional insurance business.

Furthermore, for the purposes of ascertaining the admissibility of assets prescribed under rule 12 of the Insurance Rules, 2017, the limits provided at column 3 thereof shall be applied by combining the assets of the conventional operations and window takaful operations.

- (3) Insurers undertaking with window operations will disclose their Takaful results in their published financial statements as follows:

- (a) total assets and liabilities of the Window Takaful Operations [(i.e. OPF and PTF)]<sup>2</sup> shall be disclosed as single line item in the statement of the financial position of the insurer;
- (b) profit/(loss) of the OPF of the Window Takaful Operations shall be disclosed as a single line item 'Profit/(Loss) before taxation from General Takaful Operations' as follows:

---

<sup>1</sup> Inserted by S.R.O. 311(I)/2025 dated March 3, 2025

<sup>2</sup> Inserted by S.R.O. 311(I)/2025 dated March 3, 2025

- (i) in the case of one statement approach, in the statement of comprehensive income of the insurer;
- (ii) in the case of two statement approach, in the profit and loss account of the insurer;
- (c) supporting notes where considered necessary for the understanding of the users of the published financial statements may be included as part of the notes to the financial statements;
- (d) segment disclosures for General Takaful Operations in accordance with the requirements of IFRS 8 – Operating Segments, shall be included in the published financial statements.

[(3A) Insurers whose window takaful operations form twenty-five percent (25%) or more of their overall operations based on gross contribution, may as an alternative to sub-regulation (3), disclose their Takaful results in their published financial statements as follows,-

- (a) the assets and liabilities of the conventional operations shall be consolidated with the assets and liabilities of window general takaful operations (i.e. OPF and PTF) in the statement of financial position of the insurer;
- (b) the incomes and expenses of the conventional operations shall be consolidated with the incomes and expenses of the window general takaful operations (i.e. OPF and PTF) in the profit and loss account or the statement of comprehensive income, as the case may be, of the insurer:

Provided that in the profit and loss account or the statement of comprehensive income, as the case may be, prior to arriving at the Profit/(Loss) for the year of the entity, adjustment in respect of surplus/(deficit) attributable to the PTF for the year shall be made;

- (c) supporting notes where considered necessary for the understanding of the users of the published financial statements may be included as part of the notes to the financial statements;
- (d) supporting notes to the financial statements shall provide complete breakup of conventional and window takaful operations and the statement of financial position and the profit and loss account or the statement of comprehensive income, as the case may be, shall in footnote state that for breakup of conventional and window takaful operations, detailed notes to the financial statements may be referred; and
- (e) segment disclosures for General Takaful Operations in accordance with the requirements of IFRS 8 – Operating Segments, shall be included in the published financial statements.]<sup>3</sup>

---

<sup>3</sup> Inserted by S.R.O. 311(I)/2025 dated March 3, 2025

(4) Insurers undertaking Window Takaful Operations shall prepare a separate complete set of published financial statements as required under regulation 5 for its Takaful operations and shall annex the same with the annual/interim published financial statements (as applicable) of the insurer.

**7. Segment analysis.-** (1) Some of the forms annexed to these Regulations provide segment analysis by class of business. Separate figures for any class of business are required in addition to the segments already identified in the forms if the gross contribution for that class constitutes ten percent or more of the gross contribution of the Operator. Amounts relating to classes constituting less than ten percent may be clubbed together in 'Miscellaneous'.

(2) In case of Window Takaful Operators the above limit shall be applicable for the Window Takaful Operations only.

**8. Audit report.-** The regulatory returns and published financial statements (and separately in case of window Takaful financial statements) shall be accompanied by an Audit Report as required under sub-section (2) of section 48 of the Ordinance in accordance with the format as specified through Auditors (Reporting Obligations) Regulations, 2018, or in accordance with the format as specified by the Commission from time to time.

**9. Contributions.-** (1) An Operator shall recognize contribution receivable as written in any PTF when the participant becomes a member of the PTF against a specific risk. This is generally the same time when the PTF can no longer withdraw from its obligation to provide Takaful coverage to the participant against such risk.

(2) Over the period of Takaful from inception to expiry, except as stated in sub-regulation (3), contribution shall be recognized as revenue of the PTF as follows:

- (a) for direct business, evenly over the period of the policy / coverage;
- (b) for proportional Re-Takaful business, evenly over the period of the underlying policies / coverages;
- (c) for non-proportional Re-Takaful business, in accordance with the pattern of Re-Takaful service.

(3) Where the pattern of incidence of risk varies over the period of the policy / coverage, the contribution shall be recognized as revenue in accordance with the pattern of incidence of risk.

(4) To the extent of unexpired risks of direct, including co- Takaful, and facultative acceptance business, an Operator shall maintain a reserve for unexpired contributions from the contribution credited to PTF (net of any wakala fee), which shall be determined based on the methods specified as follows:

- (a) as a proportion of the gross contribution of each policy, determined as the ratio of the unexpired period of the policy and the total period, both measured to the nearest day; or

- (b) where the majority of policies are issued for one year, the unearned contribution reserve may, as an alternative to the basis specified in (a) above, be determined by applying the twenty-fourths method, whereby the liability shall equal  $1/24$  of the contributions relating to policies commencing in the first month of the Operator's financial year,  $3/24$  of the contributions relating to policies commencing in the second month of the Operator's financial year, and so on;
  - (c) If a company develops an alternative basis for determining reserves relating to re-Takaful acceptances which it feels is more appropriate to its circumstances it may use such basis provided it discloses this fully in the notes to the financial statements.
- (5) Contribution/ contribution adjustments not yet processed but relating to the financial year shall, so far as is practicable, be recognized as a receivable and earned over the period in accordance with these Regulations.
- (6) Contributions shall not include any levy which is an amount collected on behalf of a third party.
- (7) Any levy charged on contributions which is not an amount collected on behalf of a third party shall be considered to be part of contributions.
- (8) Contributions accepted under a co-Takaful or pool arrangement shall be considered to be revenue of the participating Takaful Operators each for their own share only.
- (9) Where contributions for a policy are payable in installments, the full contribution for the duration of the policy / coverage shall be recognized as income at the inception of the policy and a related asset set up for contributions, notwithstanding the fact that some installments may not, by agreement between the Takaful Operator and the participants, be payable until later.

**10. Fee to the operator.-** The wakala fee due to the Operator under general Takaful arrangements shall be recognized by the Operator in its OPF and the PTF in the following manner:

- (a) where such fees are a defined part of contributions (wakala based contract), the same be recognised as an expense of relevant PTF at the same time that the contribution is recognised. The Operator shall recognise the same at the same time in its OPF as income. The income amount shall be deferred and amortised over the Takaful contract term in accordance with the pattern of Takaful contribution earned;
- (b) where such fees are defined as a share of investment income (mudaraba based contract), be recognised at the same point the investment income is recognised; and

- (c) where such fees are defined in any other way, be recognised on such method as is defined in PTF policies so as to ensure that the same becomes due according to Shariah and no significant uncertainty remains with regard to its recoverability and realization.

**11. *Qard-e-Hasna*.-** (1) *Qard-e-Hasna* will be shown on the face of the statement of financial position as a separate line item after ‘ Balance of Participants’ Takaful Fund’ and a note on its movement is also to be given.

(2) The ability of the PTF to return the *Qard-e-Hasna* should be tested by preparing projections which should be for a period not less than three years and not more than five years, with any future surplus returns being discounted to determine the value as of the date of the impairment test. In the absence of projections demonstrating recoverability of the *Qard-e-Hasna*, the *Qard-e-Hasna* should be fully provided for.

(3) The projections shall be prepared by the management of the Operator and shall be duly approved by the board of directors of the Operator. The Operator may seek the advice of an actuary or a firm of Chartered Accountants on the preparation of the projections.

**12. Takaful benefits (claims).-** (1) A liability for outstanding Takaful benefit shall be recognized in respect of all Takaful benefits incurred to balance date, and must be measured at the undiscounted value of expected future payments.

(2) A Takaful benefit shall be considered to be incurred at the time of the incident giving rise to the Takaful benefit, except as otherwise expressly indicated in the participants’ membership document of Takaful.

(3) The Takaful benefit liability must include amounts in relation to unpaid reported Takaful benefits; a provision for Takaful benefits incurred but not reported (IBNR), and expected Takaful benefits settlement costs.

(4) Provision for Takaful benefits incurred but not reported (IBNR) shall be recognized in accordance with SEC Guidelines for Estimation of Incurred But Not Reported Claim Reserves, 2016.

**13. Re-takaful expense.-** (1) Contribution ceded to re-Takaful operators shall be recognized as a liability of the PTF as follows:

- (a) for re-Takaful arrangements operating on a proportional basis, on attachment of risk on the underlying policies ceded; and
- (b) for re-Takaful arrangements operating on a non-proportional basis, on inception of the re-Takaful arrangements.

(2) Over the period of re-Takaful from inception to expiry, except as stated in sub-regulation (3), re-Takaful contribution shall be recognized as an expense of the PTF as follows:

- (a) For proportional re-Takaful business, evenly over the period of the underlying policies / coverages; and
  - (b) For non-proportional re-Takaful business, evenly over the period of indemnity.
- (3) Where the pattern of incidence of risk varies over the period of the policy / coverage, the contribution shall be recognized as an expense in accordance with the pattern of incidence of risk.
- (4) The portion of re-Takaful contribution not yet recognized as an expense shall be recognized as a prepayment.
- (5) Contribution adjustments not yet processed, and contribution not yet processed but relating to the financial year shall, so far as is practicable, be recognized as a liability and brought to account as an expense in accordance with these Regulations.

**14. Takaful benefits (claims) recoveries.-** (1) Claims recoveries receivable from re-Takaful and other recoveries receivable shall be recognized as assets and measured at the amount expected to be received.

(2) Claims recoveries receivable from re-Takaful and other recoveries receivable shall be recognized at the same time as the Takaful benefits (claims) which give rise to the right to the recovery are recognized.

**15. Acquisition costs.-** (1) Acquisition costs, which include commissions and other directly attributable / incremental acquisition costs are costs which are incurred in obtaining and recording policies of Takaful and re-Takaful, if not earlier credited to the PTF, shall be recognized as expense of the OPF at the same time when the related Wakala fee is recognized.

*Explanation:* Incremental acquisition costs of a policy are costs of selling, underwriting and initiating a Takaful policy, which has been incurred because that particular policy has been issued, i.e., the costs are identified at the level of an individual policy and not at the level of a portfolio of policies. Such costs may include, for example, surveyor costs where a survey has been carried out as a part of the underwriting process. They will not, however, include costs of permanent underwriting staff of the Takaful Operator.

(2) An acquisition cost which is not directly attributable / incremental shall be recognized as an expense of OPF during the period in which it is incurred on an accrual basis.

**16. Re-Takaful rebate.-** Re-Takaful rebates and other forms of revenue (apart from recoveries) receivable from re-Takaful shall be deferred and brought to account as revenue in accordance with the pattern of recognition of the re-Takaful contributions to which they relate.

**17. Contribution deficiency.-** (1) The provision for contribution deficiency (liability adequacy test) shall be recognized by PTF in accordance with the requirements given in International Financial Reporting Standard 4 “Insurance contracts”.

(2) The movement in the contribution deficiency reserve shall be recorded as an expense and shall form a part of the underwriting result.

**18. PTF taxation.-** The Operator shall ensure that the tax benefit or expense pertaining to the PTF shall be passed on to the PTF.

**19. Statement of estimated exposure.-** The statement of estimated exposure shall be prepared in accordance with form GIT of the regulatory returns which also explains the basis of its preparation.

**20. Admissibility of assets.-** (1) The value of assets for the purposes of the balance sheet (for the purpose of regulatory returns) shall be in accordance with the company's accounting policies for such assets and the method of assigning values to investments provided for in these Regulations.

(2) Where the value of any asset arrived at in accordance with sub-regulation (1) is different from the value which may be treated as admissible under section 32 of the Ordinance, then the regulatory returns will include Form GJT ("statement of assets for solvency purpose").

**21. Relaxation of Regulations.-** Where the Commission is satisfied that it is not practicable to comply with the requirements of these Regulations in a particular case or class of cases, the Commission may, for reasons to be recorded in writing, relax such requirement subject to such conditions as it may deem appropriate.

**Risk Exposures**

Is any condition that presents a possibility of a financial loss.

Every exposure has the following elements

- \* Financial value exposed to loss
- \* Cause of loss (peril)
- \* Potential financial consequences of that loss

Probable maximum loss (PML) is the value of the largest loss that is likely to occur. The underwriter's estimation of maximum possible loss is based on an organization's own experience or on other organizations' experience. If statistical data are available, it may be useful to assume that PML is close to average past losses.

**Aggregate Event Exposures**

Is a condition that presents a possibility of a highest financial loss due to a catastrophic event involving various risks simultaneously in a large area or the whole city.

Probable maximum loss (PML) is the value of the largest loss that is likely to occur in an event. The underwriter's estimation of maximum possible loss is based on an organization's own experience or on other organizations' experience. If statistical data are available, it may be useful to assume that PML is close to average past losses.

The annexed notes 1 to ..... form an integral part of these financial statements

**COMPANY NAME (GENERAL TAKAFUL)****NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS AS AT 31 DECEMBER 20XX****1 LEGAL STATUS AND NATURE OF BUSINESS**

Disclose the domicile and legal form of the company, its country of incorporation and the address of the registered office (or principal place of business, if different from the registered office); a description of the nature of company's operations and its principal activities; the name of the parent enterprise and the ultimate parent enterprise of the group, as applicable.

**2 BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE**

These financial statements are prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan, as are notified under the Companies Act, 2017, provisions of and directives issued under the Companies Act, 2017, the Insurance Ordinance, 2000, the Takaful Rules 2012 and the General Takaful Accounting Regulations, 2019. In case requirements differ, the provisions or directives of the Companies Act, 2017, the Insurance Ordinance, 2000, the Takaful Rules 2012 and the General Takaful Accounting Regulations, 2019 shall prevail. These financial statements reflect the financial position and results of operations of both the company and PTF in a manner that the assets, liabilities, income and expenses of the company and PTF remain separately identifiable.

**2.1 Basis of measurement**

Specify accounting convention e.g. historical cost model.

**2.2 Functional and presentation currency**

Specify presentation and functional currency of the company.

**2.3 Standards, interpretations and amendments effective in (current year)**

Specify for each standard the details as required by the applicable IFRS.

**2.4 Standards, interpretations and amendments not effective at year end**

Specify for each standard the details as required by the applicable IFRS.

**3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies applied in the preparation of these financial statements are set out below.

**3.1 Property and Equipment****3.2 Intangible assets****3.3 Investment property****3.4 Takaful contracts**

Disclose the general term of the Takaful contracts issued by the company and that such contracts consist of fire and property, marine, aviation and transport insurance contracts, etc.

For each type of Takaful contract issued by the company, identify the Takaful risks which the Participant Takaful Fund (PTF) accepts from another party (the policyholder). Once a contract has been classified as a Takaful contract, it remains a Takaful contract for the remainder of its lifetime, even if the Takaful risk reduces significantly during this period, unless all rights and obligations are extinguished or expire.

Also disclose for each type of contract, the contribution recognition policy, the recording mechanism for liabilities against each such contract and claims / benefits recognition.

### **3.5 Deferred Commission expense**

Commission incurred in obtaining and recording takaful are deferred and recognised as an asset. These costs are charged to the profit and loss account based on the pattern of recognition of contribution revenue.

### **3.6 Reserve for unearned contribution**

The unearned portion of contribution written net of Wakala is set aside as a reserve. Specify the method of recording of unearned contribution.

### **3.7 Contribution deficiency reserve**

Disclose the details of the method used to determine contribution deficiency reserve (liability adequacy test) and whether this is determined for each class of business separately along with the accounting treatment thereof.

### **3.8 Retakaful contracts held**

The company cedes retakaful in the normal course of business for the purpose of limiting its net loss potential through the diversification of its risks. Assets, liabilities and income and expense arising from ceded retakaful contracts are presented separately from the assets, liabilities, income and expense from the related takaful contracts because the retakaful arrangements do not relieve the PTF from its direct obligation to its policyholders.

### **3.9 Amount due to / from retakaful operators**

Amounts due to / from retakaful operators are carried at cost less provision for impairment, if any. Cost represents the fair value of the consideration to be received / paid in the future for services rendered.

### **3.10 Segment reporting**

The company's operating businesses are recognised and managed separately according to the nature of services provided with each segment representing a strategic business unit that serves different markets.

### **3.11 Cash and cash equivalents**

### **3.12 Revenue recognition**

- a) Contribution income under a policy is recognised over the period of takaful net of Wakala fee
- b) Wakala fee charged from PTF is recognised upfront.
- c) Rebate from retakaful operators is recognised at the same time of insurance of the underlying takaful policy by the company.
- d) Dividend income is recognised when the right to receive the dividend is established.
- e) Profit on Islamic investment products is recognised on an accrual basis.
- f) Gain / loss on sale of available for sale investments are included in profit and loss account.

Add others if considered significant

### **3.13 Ijarah**

Ijarah rentals are recognised as an expense on accrual basis as and when the rentals become due.

### **3.14 Investments**

in subsidiary and associate  
Investments at fair value through profit and loss  
Held to maturity  
Available for sale

### **3.15 Offsetting of financial assets and liabilities**

A financial asset and financial liability other than those relating to takaful contract is offset and the net amount is reported in the balance sheet when the company has a legally enforceable right to set-off the recognised amounts and it intends either to settle on the net basis or to realise the asset and settle the liability simultaneously.

### **3.16 Provisions**

### **3.17 Taxation**

**Current**  
**Deferred**

### **3.18 Staff retirement benefits**

**Defined contribution plan**  
**Defined benefit plan**

### **3.19 Takaful surplus**

Takaful surplus attributable to the participants is arrived as per the policy (provide policy) of the Company.

### **3.20 Impairment of assets**

### **3.21 Management expenses**

Expenses allocated to the takaful business represent directly attributable expenses. Expenses not directly allocable to takaful business are charged to OPF and allocated on the basis of gross contribution written during the year.

### **3.22 Qard-e-Hasna**

Qard-e-Hasna is provided by OPF to PTF in case of deficit in PTF.(Briefly explain the details of impairment assessment)

#### 4 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

Disclose that the Company makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year and that such estimates and judgments are continually evaluated based on historical experience and expectations of future events that are believed to be reasonable under the circumstances.

Disclose that the management has exercised its judgment in the process of applying accounting policies.

Disclose the significant estimates made by the company and the basis of such estimation. Also specify the factors subject to uncertainty and the classes of transactions most prone to changes.

### 23.2 Commitments in respect of operating leases / Ijarah

Not later than one year  
Later than one year and not later than five years  
Later than five years

- -

- -

- -

Disclose a general description of the lessee's significant leasing / Ijarah arrangements including, but not limited to, the basis on which contingent rent payments are determined; the existence and terms of renewal or purchase options and escalation clauses; and restrictions imposed by lease arrangements, such as those concerning dividends, additional debt and further leasing.

48

## 27 Benefit / Claim Development

Actual claims compared to last four years will be disclosed as follows if there is still uncertainty about the amount and timing of the claims payments for material claims. The disclosure is not required if there is no change in previous estimates as uncertainty regarding amount of material claim payments do not exist. The disclosed balance may not need to be reconciled with the balance reported in the statement of financial position.

The policyholder also need not to disclose this information if uncertainty about the amount and timing of claims payments is usually resolved within one year.

Accident year	2016	2017	2018	2019	Current year

## 43 MANAGEMENT OF TAKAFUL RISK AND FINANCIAL RISK

Specify what is the risk under any takaful policy for e.g. the possibility that the covered event occurs and the uncertainty of the amount of the resulting claim / benefit.

### 43.1 Takaful risk

Also disclose the mitigating factors for such risks.

The risk under any one Takaful policy is the possibility that the covered event occurs and the uncertainty of the amount of the resulting claim / benefit. By the very nature of an takaful contract, this risk is random and therefore unpredictable.

For a portfolio of Takaful policy where the theory of probability is applied to pricing and provisioning, the principal risk that the Company faces under its takaful contracts is that the actual claims and benefit payments exceed the carrying amount of the takaful liabilities. This could occur because the frequency or severity of claims and benefits are greater than estimated. Takaful events are random and the actual number and amount of claims and benefits will vary from year to year from the level established using statistical techniques.

Experience shows that the larger the portfolio of similar Takaful policy, the smaller the relative variability about the expected outcome will be. In addition, a more diversified portfolio is less likely to be affected by a change in any subset of the portfolio. The Company has developed its Takaful underwriting strategy to diversify the type of Takaful risks accepted and within each of these categories to achieve a sufficiently large population of risks to reduce the variability of the expected outcome.

Factors that aggravate Takaful risk include lack of risk diversification in terms of type and amount of risk, geographical location and type of industry covered.

#### a) Frequency and severity of claims / benefits

Disclose how the Company manages these risks for e.g. through its underwriting strategy, adequate retakaful arrangements and proactive claims handling.

Disclose the objective of each risk mitigating factor along with the details as to how these mitigating factors are applied to each takaful contract. This information shall include qualitative as well as quantitative criteria used for such risk management.

The disclosure regarding concentration risk will form part of this note.

#### b) Sources of uncertainty in estimation of future claim payments

Disclose the claims recognition criteria and the claim settlement mechanism in this respect. Specify the factors that affect the claim liabilities and how such liabilities are affected. Also specify what cost components are included as claim expense.

Disclose the criteria for estimation of cost of unpaid claims (both reported and not), the estimation techniques used by the company. Disclose how the techniques are used by the company.

Disclose the process for estimation of IBNR and its provisioning mechanism in detail.

- c) Process used to decide on assumptions

Disclose the risks associated with these takaful policies and variables that complicate quantitative sensitivity analysis.

Specify the details about separate assumptions and the basis on which such assumptions are used by the company.

- d) Changes in assumptions

Disclose the changes in assumptions if any, the qualitative and quantitative information in this respect and the monetary impact of such changes on the statement of comprehensive income. Also disclose why such changes in assumptions have been incorporated in our estimation.

- e) Sensitivity analysis

In respect of all the variables affecting the estimates reported in the financial statements.

#### 43.2 Financial risk

Maturity profile of financial assets and liabilities:

	Mark up bearing			Non-mark up bearing			Total
	Maturity up to one year	Maturity after one year	Sub-total	Maturity up to one year	Maturity after one year	Sub-total
