CASE No. AOK-1322/2024

BEFORE THE ADJUDICATING OFFICER

ORDER UNDER SECTION 132 READ WITH SECTION 479 OF THE COMPANIES ACT, 2017

IN THE MATTER OF M/S. PAKISTAN MOTORCAR COMPANY (PRIVATE) LIMITED

Present: Mr. ZEESHAN KHAN - Chief Executive Officer (CEO)

Date of hearing: 30-05-2024

1. This Order shall dispose of the proceedings initiated under Section 132 of the Companies Act, 2017 (The Act), vide Show Cause Notice dated 16-05-2024 [“the Notice”].
2. The facts of the case are that after examination of the record/documents of the company it was revealed that the company has held its annual general meetings for year 2021 after a considerable lapse of time on 18-08-2023 as reported in the form-A filed with the company.
3. Prima facie, the company violated the provisions of section 132(1) of the Act, which attracts penal provisions contained under section 132 (5)(b) ibid.
4. Consequently, the afore mentioned violation of law rendered the company and its officer(s) liable to a penalty of level - 1 on the standard scale provided under section 132 (5)(b) read with section 479(2) of the Act. Accordingly, taking cognizance of the matter, a Show Cause Notice dated 16-05-2024 was served to the company, calling upon to Show Cause in my office within 10 days from the date of the show cause notice, as to why the penalty laid down under the above mentioned section should not be imposed.
5. On the date of hearing, Chief Executive Officer of the Company appeared before me in person. While admitting the default, he stated in the light of company’s reply dated 30-05-2024, that our company is a government owned company and currently non-operational. Due to non-availability of members of BOD and relevant staff, the company could not hold its AGM within prescribed time. However, the company held its AGM with delay on 18.08.2023 and relevant annual return was submitted on 28.08.2023.

6. The contention of the Chief Executive Officer of the company for the non-compliance of law is not a justifiable excuse, as it shows negligence and lack of interest on the part of management of the company who is responsible to manage, pursue and make sure that the compliances are being made timely and strictly in accordance with the law. Although, the company is non-operational as per the statement of CEO, it was the responsibility of the management to make genuine efforts to fulfil corporate and statutory requirements of law within prescribed period. But, no such evidence was provided by the CEO which could establish that the management had taken reasonable efforts to avoid the subject violation of law. However, keeping in view the assurance given by the CEO that no such default would be repeated in future and the company shall ensure proper and timely compliance of statutory requirements of law, I am convinced to take a lenient view. Hence, being a government owned entity, a token penalty of **Rs.20,000/-** is imposed on the company only.
7. The management of the company is advised to deposit the penalty amount within 30 days from the date of receipt of this order in any designated branches of MCB Bank Limited or UBL Bank and furnish original receipted challan to this office within the above said period positively.
8. A copy of this order be placed on the record of company maintained by the dealing Registrar of the Company Registration Office.
