6. The contention of the company and its authorized representative for the non-compliance of law is not a precise excuse, as it shows negligence on the part of management of the company who is responsible to manage, pursue and make sure that the compliances are being made timely and strictly in accordance with the law and to keep all the statutory record available at the registered office address of the company. However, keeping in view the aforesaid facts as narrated above and assurance given by the authorized representative that no such default would be repeated in future and the company shall ensure proper and timely compliance of statutory requirements of law, I am convinced not to take stringent action against the company.
