and time and merely a reply dated March 05, 2024 was received in this regard from "the respondent(s)" stating the reasons of the said default, that duly considered and was found not cogent considering the provisions of Section 233. It is pertinent to mention here that all the said hearing notice(s) were sent through courier, at the registered addresses of the company and its chief executive/director(s) that were subsequently delivered and have been served upon the company and its director(s)/chief executive.

5. Before proceeding further, it is necessary to advert to the relevant provisions of the law and Section 233 of the Companies Act, 2017 which unambiguously stipulates that:

Sub-section (1) of Section 233 "Without prejudice to the provisions of sub-section (5) of section 223, after the audited financial statements have been laid before the company at the annual general meeting and duly adopted, a copy of such financial statements together with reports and documents required to be annexed to the same, duly signed in the manner provided by sections 226, 232 and 251, shall be filed by the company with the registrar within thirty days from the date of such meeting in case of a listed company and within fifteen days in case of any other company."

Sub-section (4) of Section 233 provides: that Any contravention or default in complying with requirements of this section shall be an offence liable—

- (a) in case of a listed company, to a penalty of level 2 on the standard scale; and*
- (b) in case of any other company, to a penalty of level 1 on the standard scale and whereas*

6. It is clear from the abovementioned scripts of the law that the company was in default of Section 233 (1) of "the Act" as it had failed to file the annual audited financial statements for the year(s) ended 2023 with the "Registrar" within the timeline provided, therein. The nature, seriousness and impact of the breach shows that the act of the company was deliberate and moreover the persistent default, duration, the extent and frequency of the violation has raised serious concerns over the systemic weaknesses of the management systems and internal controls of the company necessitating the need to take serious cognizance and stern action by the Commission by seeing the nature and gravity of the default in the instant case.

7. In terms of the Commission's Notification S.R.O. 1546 (I)/2019 dated December 06, 2019, the powers to adjudicate cases under Section 233 of "the Act" have been delegated to the undersigned as Adjudication Officer, Adjudication Department- II, Lahore.

8. As regards the matter at hand, I have analyzed the facts of the case, relevant provisions of "the Act" and let me state the fact that the afore-mentioned provisions of the law are unambiguous and explicit and the fact that timing is essence of accounts and, the disclosure requirements of these accounts have been kept to a bare minimum. Financial statements and other returns prepared accurately and in a timely manner provide to its users a reliable source of information regarding a company's financial position and performance, besides illustrating the results of the management's stewardship of resources entrusted on to it. In order to ensure transparency, all companies must meticulously adhere to the relevant law(s) for preparation and circulation of financial statements. Directors are obligated to ensure that such mechanisms

are in place, and appropriate actions be taken, whereby financial and operational reporting of the company is timely achieved, whilst ensuring due compliance of the law.

9. Before proceeding with the decision, I would also like to highlight here that I am compelled to decide the said pending case as the company has failed to comply with the statutory requirements of Section 233 of "the Act" and its chief executive/director(s) have also not appeared personally or through an authorized representative, despite being provided with the aforementioned numerous hearing opportunities. I am convinced and of the view, that the company has failed to comply with the requirements of Section 233 of "the Act" and further, it has not shown any intention for compliance or even to defend the instant case during the adjudication proceedings, therefore, I, while exercising the powers delegated vide S.R.O. 1546 (I)/2019 dated December 06, 2019, hereby impose a lumpsum penalty of **Rs. 15,000/-** upon the company, to conclude "the SCN" proceedings.

10. This order is being issued without prejudice to any other action, that the Commission may initiate against the company in accordance with law/s on matters **subsequently, investigated or otherwise brought to the knowledge of the Commission**.
