		Section 512 of the Companies Act, 2017	
5.	Action Taken	Key findings are given as hereunder:	
		I have gone through the facts of the case, considered the submissions	
		made in writing as well as during the hearing proceedings and record	
		placed before me. It is undisputed fact that the Respondents have not	
		convened audit committee meetings for the year ended June 30, 2020,	
		thereby attracting provisions of clause (i) of sub-section (2) of	
		Regulation 27 of the Regulations. The Respondents primarily argued	
		that they had resigned from the board of the Company in year 2016. In	
		this regard, I have observed that the Respondents have failed to provide	
		any evidence that could substantiate their stance and validate their	
		resignation being presented before board of directors and accepted	
		thereof. It is noted that the record available with the Commission shows	
		that their names continue to appears as directors of the Company in	
		financial statements for the year ended June 30, 2020. Moreover, the	
		correspondence provided by the Company shows that the board in its	
		meeting held on February 24, 2022 resolved the cessation of the	
		Respondents being the directors of the Company and the respective	
		Form 29 in this regard is approved by the Company Registration Office	
		of the Commission on April 15, 2022. This shows that the Respondents	
		were on the board of the Company during the year ended June 30, 2020	

	and being member of board audit committee wer convene the quarterly board meetings for the respecti It is important to highlight here that mere submission the company is not a sufficient ground to absolve the a person as director of the company.
