

## SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

\*\*\*\*\*

### **SPANISH LOTTERY IS UNLAWFUL**

It has come to the notice of Securities and Exchange Commission of Pakistan that some swindlers have started their activities under the name and style of Spanish Lottery. They have recently emerged in Azad Jammu & Kashmir and may enter in any other areas of the country at any time. Spanish Lottery has no patronage of Spanish Government and the name is being used without any authority. This type of activity is unlawful and any investment made therein would not be safe. It is all fraud and motive of the unscrupulous persons running the scheme, is just fleecing the innocent people.

The general public is warned to be careful and is advised in their own interest to refrain from making any investment in the scheme known as Spanish Lottery.
