2. Eligibility criteria of scrips in CFS Mk-II securities will be reviewed by KSE and NCCPL jointly on May 01, 2008 and revised CFS Mk-II eligible securities will be modified accordingly with due notice to Market participants.

3. The current CFS will merge with CFS Mk-II Market with effect from July 1, 2008.

4. Margining regime for Financees in CFS Mk-II

Till July 1, 2008, initial margins in CFS Mk-II will be collected 100% in eligible securities or collateral.

After July 01, 2008, initial margins will be:

- 100% in eligible securities where financing in CFS Mk-II Market remains at or below Rs. 85 billion.
- 10% in cash and rest in eligible securities, where financing in CFS MK-II Market crosses Rs 85 billion but remains at or below Rs 100 billion.
- 20% in cash and rest in eligible securities, where financing in CFS MK-II Market crosses Rs 100 billion but remains at or below Rs 125 billion.
- 35% in cash and rest in eligible securities where financing in CFS MK-II Market crosses 125 billion but remains at or below Rs 150 billion.
- 50% in cash and rest in eligible securities, where financing in CFS MK-II Market crosses 150 billion.

Where any of the above limits is crossed and the respective cash requirement becomes applicable, it shall remain in force irrespective of the fact that the financing has reduced below that limit subsequently.

5. Initial Margins by Financier in CFS Mk – II --- Initial margin for financiers shall be 100% in eligible securities and other acceptable collateral under the NCCPL Regulations from April 7, 2008 and July 01, 2008.

6. Mark to Market Losses and Special Margins for Financee and Mark to Market Losses of Financier in CFS Mk-II --- 100% in Cash (Bank Guarantees are also acceptable in lieu of margins under the present regulatory framework).

7. Infrastructure requirements --- CFS Mk-II will be implemented on separate terminals for Authorized Financier and Financee. All market participants shall be required to install the requisite hardware and make it available to KSE and NCCPL for system installation by April 04, 2008.

8. Initial Margin in Cash Settled Futures and SIFC

Initial Margin shall be:

- 100% eligible securities where open interest in the relevant market remains at or below Rs. 10 billion.
- 10% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 10 billion but remains at or below Rs 20 billion.
- 20% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 20 billion but remains at or below Rs 30 billion.
- 35% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 30 billion but remains at or below Rs 35 billion.
- 50% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 35 billion.

9. Initial Margin in Deliverable Futures Market ---

Initial Margin shall be:

- 100% eligible securities where open interest in the relevant market remains at or below Rs. 20 billion.
- 20% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 20 billion but remains at or below Rs 30 billion.
- 35% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 30 billion but remains at or below Rs 35 billion.
- 50% in cash and rest in eligible securities where open interest in the relevant market exceeds Rs. 35 billion.

10. Special Margin in Deliverable Futures Market --- Special margins shall be 50% in cash and rest in eligible securities; however, where open interest in Deliverable Futures Market crosses Rs. 25 billion, special margins will be collected 100% in Cash,

11. The above amendments in the risk management regime for Deliverable Futures, Cash Settled Futures and SIFC Markets will be implemented with effect from the next applicable contract after getting necessary approvals from SECP.

12. It was agreed that release and roll-over in CFS Mk-II Market shall only be allowed in last 5 working days of the contract in CFS Mk-II Market. Unreleased financing shall be forced released on expiration of the maturity of 22 working days.

13. No. of eligible securities in cash settled futures shall be increased to 15 securities at the earliest.
