

February 13, 2002 **SEC Launches its New Website**

In order to cater to the needs of various stakeholders more efficiently, the Securities and Exchange Commission of Pakistan (SEC) has launched its new website [www.secp.gov.pk](http://www.secp.gov.pk). The new website which has been designed under the overall modernizing and automation plan of the Commission, offers more facilities for the users making it simple, comprehensive and fast.

The website is user-friendly, allowing easy navigation and accessibility to various kinds of information. To facilitate the users a "Search" facility and a "Downloads" facility section have been added in the new website. The site also includes a "Management Directory" of SEC which will enable users to contact senior officers of SEC. The website is constantly being updated with corporate laws, rules and regulations, as well as latest updates on SEC activities.

Stakeholders and other interested can find complete information about the activities of various wings of the SEC from the new website.

Queries and suggestions regarding the new SEC website can be sent to [webmaster@secp.gov.pk](mailto:webmaster@secp.gov.pk).
