Subject: Request for Quotations – Services Required for Actuarial Valuation

The SECP intends to carry out an actuarial valuation of few amendments in its funded Pension Scheme and Assistant Package on death of serving employees of the Commission. This is to ascertain the additional financial impact of the proposals on position of the Fund and provision made in the accounts as at June 30, 2017 as required under IAS-19.

In this respect recognized actuaries /actuarial firms having membership with the 'Pakistan Society of Actuaries' are requested to furnish their proposals for actuarial valuation of SECP's funded Pension Scheme.

The Actuarial valuation report should cover the following aspects:

- Valuation methodology and Assumptions
- Determination of Actuarial Liability (or Present Value of Defined Benefit Obligation) in respect of existing pensioners and future pensioners at the valuation date
- Determination of the funding surplus/deficit as at the valuation date
- Determination of the Asset/Liability to be recognized in the accounts
- Disclosure as per the IAS 19 (revised 2011)

To comply with the International Accounting Standard 19 (IAS 19), the valuation will be based on the Projected Unit Credit (PUC) method to determine the liabilities and the annual cost for the next year and the determination of the contribution to be made by SECP to the respective Fund for the next one year.
