Terms of Reference (TORs)

Training Video:

The SECP intends to hire the services for production of a video as per following deliverables:

The required features of the deliverables will be as follows:

- Duration of a Video Training up to 1 hour
- Nature: Shoot based Training
- Language/ Script: English with Urdu subtitles (where Urdu is not used by presenter and vice versa)
- Must be shot on RED or Sony Cams (at least 2 to cover the production from 2 different angles at any given time during the recording)
- The service provider should do color grading on industry color grading software. The video (approximately One hour) must be shot in flat profile to later be color graded.
- 3 Additional versions/edits of shorter lengths will also be provided by the service provider as per the requirement of SECP.
- It must be shot in 4K frame size.
- Complete post production with latest software with Crystal Clear Sound
- The raw footage will remain the property of SECP and the vendor is responsible to provide the raw footage to SECP.

The service provider will be responsible for all cost pertaining to pre and post production issues.
